

This privacy policy describes how P.Logic Games protects and makes use of the information you give the company when you use this website and/or the company apps.

If you are asked to provide information when using this website and/or the company apps it will only be used in the ways described in this privacy policy.

This policy is updated from time to time. The latest version is published on this page.

This website privacy policy was updated on: 01/11/2018

If you have any question about this policy, please email [pllogicgames@hotmail.com](mailto:pllogicgames@hotmail.com)

## **Introduction**

We gather and use certain information about individuals in order to provide products and services to enable certain function on this website.

We also collect information to better understand how visitors use this website and to present timely, relevant information to them.

## **What data we gather**

We will collect and process the following data about you:

- App information we collect about you. P.Logic games incorporate analytics feedback (e.g. player level progress) so that we can improve the app experience. No personal data is collected.
- Public app leaderboard information we collect about you. P.Logic games incorporate app leaderboards by use of GameCenter integration for iOS devices. The leaderboard displays your username and score only.
- Website information we collect about you. This website is built using Wix ([www.wix.com](http://www.wix.com)). Wix will automatically collect the following information: technical information, including the Internet protocol (IP) address used to connect your computer to the Internet, your login information, browser type and version, browser plug-in types and versions and operating system and platform.
- Website information about your visit. This website is built using Wix ([www.wix.com](http://www.wix.com)). Wix will automatically collect the following information: the full

Uniform Resource Locators (URL), clickstream to, through and from the website (including date and time), page response times, download errors, length of visits to certain pages, page interaction information (such as scrolling, clicks, and mouse-overs), methods used to browse away from the page.

### How we use this data

Collecting data helps us understand what you're looking for from the company, enabling us to deliver improved products and services.

### Links from our site

Our website (<http://plogicgames.wixsite.com/home>) may contain links to other websites.

Please note that we have no control of website outside the P.Logic Games domain. If you provide information to a website to which we are linked, we are not responsible for its protection and privacy.

### Cookies and how we use them

#### What is a cookie?

A cookie is a small file placed on your computer's hard drive. It enables our website to identify your computer as you view different pages on our website.

Cookies allow websites and applications to store your preferences in order to present content, options or functions that are specific to you. They also enable us to see information like how many people use the website and what pages they tend to visit.

#### How are you is cookies

We may use cookies to:

- **Analyse our web traffic using an analytics package.** Aggregated usage data helps us improve the website structure, design, content and functions.
- **Identify whether you are signed into your website.** A cookie allows us to check whether you assigned into the site.
- **Test content on our website.** For example, 50% of our users might see one piece of content, the other 50% a different piece of content.
- **Store information about your preferences.** The Website can then present you the information you will find more relevant and interesting.
- **To recognise when you return to our website.** You make sure you relevant content, or provide functionality you used previously.

Cookies do not provide us with access to your computer or any information about you, other than that which you choose to share with us.

## Controlling cookies

You can use your web browser's cookie settings to determine how our website uses cookies. If you do not want our website to store cookies on your computer or device, you should set your web browser to refuse cookies.

However, please note that doing this may affect your website functions. Some pages and services may become unavailable to you.

Unless you have changed your browser to refuse cookies, our website issues cookies when you visit it.

To learn more about cookies and how they are used, visit <http://www.allaboutcookies.org>.
