### **Introduction**

Most of the apps developed by P.Logic Games do not collect or process any user information. For those that do collect user information (as listed in the subsequent section), the information is only used in the ways described in this privacy policy.

### **What data we gather**

The following apps developed by P.Logic Games collect no information from the user:

Orb (iOS)

Dot To Dot. (iOS and Android)

The following apps developed by P.Logic Games incorporate online leader boards by use of GameCenter:

HEXA-GONE (iOS)

### **How we use this data**

The leader board data is recorded to maintain a log of the highest ranking players. The information displayed is user ID and the associated high score.

### **Links from our apps**

Some P.Logic apps contain links to our website and/or the app store for promotional purposes (i.e. The P.Logic Games app Orb may contain a link to the P.Logic Games app HEXA-GONE).

Please note that we have no control of website outside the P.Logic Games domain. If you provide information to a website to which we are linked, we are not responsible for its protection and privacy.

### **Sensitive Permissions**

P.Logic Games apps do not request permission to any of the following:

- CALENDAR
